ABOUT THIS RELEASE

The CURFs for 1994-95, 1995-96, 1996-97 and 1997-98 were reissued in August 2005. The revised CURFs include the following changes: revised weights, revisions to previous financial year income from government pensions and allowances, and the addition of a household level to each of the CURFs. See also the associated Technical Papers (cat. no. 6541.0).

A file containing unit record data from the Survey of Income and Housing. It is confidentialised and as such contains no names and addresses and the detail for some items of data has been reduced. The file is distributed on CD-ROM or can be accessed via the Remote Access Data Laboratory. Subject to the limitation of sample size and the data classifications used, it is possible to manipulate the data, produce tabulations and undertake statistical analyses to individual specifications.
